**Boys & Girls Clubs of Miami-Dade Turn Up the Fun
with Exciting 2017 Summer Program for Area Youth**

Four Clubs Offering Unique Summer Programs from Monday, June 12–Friday Aug. 4th
Including Indoor and Outdoor Activities, Field Trips and More

Who/When/What:

Registration is now taking place for the 2017 Summer Program at Boys & Girls Clubs of Miami-Dade, which will be held at four different locations: the Hank Kline Club, Northwest Club, South Beach Club and Kendall Club. The Summer Program allows children to learn values such as friendship, honesty and teamwork by providing a safe and secure environment in which they can express and develop such relationships.

Summer Programs are open to all boys and girls ages 5–16 (must be entering kindergarten in the fall; cannot turn 17 before Sept. 1, 2016), and run Monday–Friday from 9 a.m.–5 p.m.; however, counselors will be available to supervise children beginning at 8 a.m. and ending at 6 p.m.

The Summer Programs at all Clubs are staffed by qualified full-time and summer staff.

During the Summer Programs, children participate in fun indoor activities such as arts & crafts, computer room, game room, table games, movie room, basketball and much more. Outdoor activities include all types of organized group games, and swimming at the South Beach Club. Field trips are also offered to exciting locations and events such as the movies, bowling, Chuck E. Cheese's, swimming field trips for older groups and more.

A free nutritious lunch and afternoon snack will be provided daily at no additional cost, or children may bring their own lunch. At each Club, awards will be given to recognize the boys and girls who have made a positive contribution to the Summer Program.

For more details about an individual Club's Summer Program, please call the contact/phone number listed.

About Boys & Girls Clubs of Miami-Dade

Boys & Girls Clubs of Miami-Dade has been serving youth in the community since 1940. What once was a single building and site for boys has grown to five Clubs serving thousands of boys and girls year round, providing programs in the areas of character and leadership development, educational enhancement, career preparation, health and life skills, cultural arts and sports, fitness and recreation. Club staffing, initiatives, and programs are designed to inspire and enable young people and provide them with the resources to succeed and share in the American Dream.
